

Around KYOTO Station Building

Open in Umeoji/Kyoto! on April 2016 for the Kyoto Railway Museum. The museum is for everyone to learn about railway safety and technology by "discover, touch and experience". From steam locomotives to Shinkansen bullet trains, the museum houses 53 railway vehicles that make up an index of Japan's modernization efforts. Come and enjoy railways from many different perspectives.

Museum Hours : 10:00 a.m. to 5:30 p.m. * No admission after 5:00 p.m.
Closed Every Wednesday (open on holidays) · Year-end through New-Year season (12/30 to 1/1)
